

# Newbridge Town Centre Regeneration Programme

A NEW LOOK FOR NEWBRIDGE IS COMING...  
AND YOU CAN BE A PART OF IT!

**A major funding package is being put together to ensure a bright future for Newbridge Town Centre!**

Thanks to funding from the European Union Convergence Programme; Welsh Assembly Government (WAG); the Arts Council for Wales, together with significant funds from Caerphilly County Borough Council and the Newbridge Community Partnership, you will see a series of exciting improvements to your town centre over the next few years.

In addition, the Council is proud to be working closely with the Trustees of the Celyn Colliery Institute & Memorial Hall to secure funding to take forward their plans to fully restore these beloved and historic buildings.

## THE BRIDGE WAS JUST THE START...

You have already seen the benefits of the funding with the construction of the landmark "Calzaghe Bridge", spanning the River Ebbw and the Ebbw Valley Railway Line.

## ...AND WHAT'S NEXT?

An exciting series of public realm enhancements are planned from next year, including improved public spaces and new public artwork. These works will contribute to a safer, more attractive pedestrian friendly environment, encourage retail growth, and boost community pride!

So, with work on the Bridge complete, the next stage of the town's regeneration can begin. And you can be a part of it!

**Remember, Newbridge is your town and it is important to have your say! Your opinions really do matter.**
